

## **Welcome to the Closter Library's Youth Services!**

**Welcome to our library! There are endless opportunities for discovery, learning, and recreation here!**

**The following information will give you an idea about the services and resources available to your child through the Youth Services Department.**

**How to get a card for your child:**

**It's easy! Your child just needs to be present with you while you provide proof of residency.**

**Children can use their cards to check out books, ebooks, graphic novels, DVDs, audiobooks, magazines, video games, CDs, and Playaways, as well as access Online Search Databases for school projects.**

**We offer story-time for children 2-5 years old, special programs for children or all ages, crafts, and a Summer Reading Program.**

**To find out about upcoming programs, join our Parent Listserv by emailing us at [cltrkids@bccls.org](mailto:cltrkids@bccls.org).**
